#### Ending Date

-----

### Conditions:

#### OBJECTIVES, METHODS OF STUDY, METHODS OF EVALUATION, AND RESOURCES

The student will complete all courses during the semester as they are outlined in the charter school program/course descriptions. All course objectives will be consistent with the expected school wide (4) comprehend the critical process, will apply mathematical principles and operations to solve problems; will apply scientific concepts and skills to explain their world and find solutions to its problems; and

The method of study requires the student to meet with his/her instructor at the agreed upon appointment times while working (independently) a minimum of 240 minutes each day that the school is open. Assessments and anything appropriate to the student's educational needs. Schoolwork during intersession enrollment periods will be assigned, as needed, for up to a maximum of 8 hours per

Student's course work will be evaluated by one or more of the following criteria:

1. Presentation of evidence showing assignment completion
2. Written tests
3. Demonstration of skills
4. Oral Presentation
5. California Assessment of Student Performance and Progress
6. Other

The Course Description and Assignment Guide, Course Contracts, White Board, Planning Guide, Regular Work Assignment, Report of Credits Earned and Student Handbook are considered as part of

#### CHARTER POLICY

According to the charter school policy for grades 7 through 12, the student and parent/guardian/caregiver agree to the following:

1. Student will meet with the instructor at the designated "Reporting" time, day, and place on this Agreement and on the Regular Work Assignment. Any changes agreed upon by student, parent and tea
2. Student will complete and verify that student completed assigned work on each day the school is open. Unless otherwise notified, those days are Monday through Friday. Parent/guardian/caregiver is
3. Student will complete and submit all assigned work for each school month. No more than 20 school days may pass between the assignment date and the date completed unless an exc

1. An evaluation will be made to determine whether it IS in the student's best interest to continue enrollment in Independent Study if student fails to complete 100% of the minimum work assignm
2. While completing the one credit per week meets the minimum work requirement to maximum enrollment in the charter school completing more than one credit per week as recommended by t

4. Student will be on time for appointments and call to reschedule with instructor if any missed appointments.
5. Students will take an academic assessment prior to entering.
6. Student will take the state mandated assessment tests.
7. Student will NOT be enrolled in another public school or private school that charges tuition while enrolled in the charter school. Because charter schools are publicly funded schools, student and/or p earned at both schools. The only exceptions to this law would be concurrent enrollment in an ROP program, community college or adult school.
8. Student must follow the behavior expectations and the internet rules and regulations outlined in the Student Handbook.
9. If a student has an Individualized Education Plan (IEP), that the IEP should specifically outline for participation in Independent Studies in accordance with California Education Code Section 51742(c)(

The Master Agreement is very important. It is one of 2 places that student and parent will need to sign.

R. G. Mugabe

The guided experience will take you through a series of questions and answers. You and your parent will need to sign in 2 different places.

Signatures are very important to this process. Please do not sign for each other, as that will invalidate your application.

Tom Wolf
